Looking for qualified people?

A call to F&A is an excellent way to tap into the talent pool of qualified professionals with unique and relevant skills. Whether you need a short-term or long-term staffing solution, our rigorously assessed candidates will help meet your needs in any type of economic environment.

We offer professionals with experience in areas such as finance, accounting, audit and tax to name a few. Whether you need a staff accountant or a C-level professional F&A is ready to work with you to fulfill your specific requirements.

**Our approach to a successful engagement with F&A:**

- Make each placement the best possible match for both candidate and employer.
- Develop lasting and productive relationships with candidates and clients.
- Consult with our clients to formulate and implement appropriate personnel and HR strategies.
- Supply immediate and dependable solutions to each and every client.
- Develop proper staffing levels to reflect company budgets.

**Our service philosophy is simple:**

Make sure we get the right candidate with the right expertise to the right client at the right time. In the end, our clients' success is our success.
